

Rank of $M^*=20$

RKP $q=1$

The image displays a 20x20 matrix visualization. A diagonal band of dark blue squares runs from the top-left to the bottom-right, indicating a banded matrix structure. The band is approximately 5 squares wide. The rest of the matrix is white. Two text boxes are present: one in the top-right corner stating 'Rank of M*=20' and one in the bottom-left corner stating 'RKP q=1'.
